

Reflections 2008-2009 Theme:

“WOW...”

“WOW” it’s that time of year again. Time for Reflections. The theme for 2008-2009 Reflections is “WOW...” Reflections is an annual program sponsored by the PTA that encourages students’ artistic talents. Students are invited to create and submit works of art from their choice of eight categories. Each of your students will receive an entry form and condensed version of the Reflections rules. If your student should have more specific questions they will need to consult the official PTA Reflections guidelines found on the Utah PTA website www.utahpta.org. Extra entry forms will be available in the front office.

The PTA would like as many students to participate in the Reflections program. All entrants will receive a prize for their participation. We also as an incentive are offering an ice cream party to the class with the most entries! Students are encouraged to submit original works of art that meet the Reflections criteria. Remember all works of art must be produced exclusively by the student. Also each entry form must be signed by a parent. The deadline for all entries will be **FRIDAY, NOVEMBER 21st**. All entries will be received in the school gym between 8:00a.m.-9:00a.m. Entries received after nine will not be judged.
