

SCHOOL COMMUNITY COUNCIL

December 8, 2008

Council members present: Nancy Ward, Randy Clay, Kathy Clay, Robyn Mantas, Dan Martinez, Annette Kosten, Kelli Rutledge

Absent: Bob Kilcrease

The minutes from the October 21, 2008 meeting were reviewed and approved. Kathy will post the minutes on the website.

Two additional parent representatives were needed in order to meet the guidelines. It was proposed that Jeri Lynn Gordon and Naomi Willis be installed as the new members of the council. The motion was seconded and approved by the other parents on the council.

The PTA has asked if the SSC can help with field trips by donating money. After discussion, it was decided that \$1000 would be contributed to be used for field trips. The SSC needs to prioritize how money needs to be spent this year before allocating any additional funds for field trips. This will be discussed in further detail at our next meeting in January.

Nancy gave a report detailing how Trustlands money was spent last year.

Dan Martinez, who works for the State of Utah, was able to get 10 laptops donated to Oquirrh. The computers were obtained after Kelli Rutledge completed the necessary paperwork to get the computers from the "Computers for Schools Program" through the State Surplus Property Department. Thanks so much Dan and Kelli for getting on this and getting it done so promptly!!!!

A job description of the SSC was provided by Nancy. The council members were instructed to look this description over and we will discuss it further at our next meeting. Kathy will also post this information on the website so parents can access.

Laura Walker was asked to spear head our attendance project. She will be forming a committee to decide what we can do as a school and community to get our attendance up.

The Oquirrh student council had an awesome food drive!!! A donation was made to the food bank just before Thanksgiving. The donations are still coming in and another donation will be made right before Christmas.

The next SSC meeting will be held on Tuesday, January 13, 2009 at 4:00 p.m. Items needing attention may include: cost of projected field trips from teachers, cost of conferences paid by SSC, student council, and expenditures and income from the 2008 Mountain Man Rendezvous.

The meeting was adjourned.
